

Instrument Repair and Calibration

NOTE: A Return Material Authorization is NOT required.

To obtain service on items in or out of warranty, please return your product to:

testo, Inc., Service Department
40 White Lake Road; Sparta, NJ 07871

Phone: 800-227-0729; Ext. 142
Fax: 862-954-5019
Email: maria@testo.com

Please follow these simple instructions:

- Complete the instrument repair and calibration return form below.
- Be sure to fill out the form entirely and include proof of purchase for warranty claims.
- Put this form, any additional paperwork, and the instrument together in a box.
- Distributors can request in writing that repairs are shipped directly to the customer.
